20. Assessment / Assurance Status per Attribute

[INSERT: Assessment / Assurance Status table: For each of the 9 BRSR Core ESG attributes, state: (1) Whether third-party assessment / assurance has been obtained, (2) Name of the assurance provider, (3) Type of engagement (Assessment per ISF standards / Limited Assurance / Reasonable Assurance), (4) Standards used, (5) Scope and any exclusions. Attributes 8 and 9 have partial data — full quantification is targeted for Q2 FY 2025-26.]

Note: SEBI introduced flexibility in BRSR Core verification via the December 2024 circular — listed entities may choose either "Assessment" or "Assurance" for BRSR Core verification, as per ISF standards developed in consultation with SEBI. Attributes 8 (Gender Diversity/Wages) and 9 (Job Creation in Small Towns) are new KPIs introduced in the December 2024 SEBI circular, applicable from FY 2024-25.
