

GRI SUSTAINABILITY REPORT 2024-25

In accordance with GRI Standards 2021

Manipal Group

Reporting Period: April 1, 2024 - March 31, 2025

Generated by HWCAP

Executive Summary

This comprehensive sustainability report presents Manipal Group's environmental, social, and economic performance for FY 2024-25 across **9 operational sites in Karnataka, India**, covering education and healthcare operations serving over 196,500 stakeholders.

Key Highlights:

- **Energy:** 167,081 GJ consumed, 7.5% from renewable sources
- **Emissions:** 17,010 tCO₂e (Scope 1+2), 0.086 tCO₂e per FTE
- **Water:** 628 ML consumed, 3.2 kL per FTE
- **Waste:** 1,437 MT generated, 35% diverted from disposal
- **Safety:** LTIFR 0.85, zero fatalities
- **Workforce:** 10,980 employees, 42% female

Table of Contents

SECTION 1: Executive Summary & Introduction

1. Executive Summary
 - 1.1 Key Highlights (Environmental, Social, Economic)
 - 1.2 Performance Snapshot
 - 1.3 Year-on-Year Comparison
2. Message from Leadership
 - 2.1 Chairman's Statement
 - 2.2 CEO's Message
 - 2.3 Sustainability Vision & Commitment
3. About This Report
 - 3.1 Reporting Framework & Standards
 - 3.2 Report Boundary & Scope
 - 3.3 Data Collection Methodology
 - 3.4 External Assurance

SECTION 2: GRI 2 - General Disclosures

2.1 The Organization and Its Reporting Practices

4. GRI 2-1: Organizational Details [MANDATORY]
 - 4.1 Legal name, ownership structure, headquarters
 - 4.2 Countries of operation
5. GRI 2-2: Entities Included in Sustainability Reporting [MANDATORY]
 - 5.1 List of all operational entities (9 sites)
 - 5.2 Consolidation approach
 - 5.3 Exclusions and rationale
6. GRI 2-3: Reporting Period, Frequency and Contact Point [MANDATORY]
7. GRI 2-4: Restatements of Information [MANDATORY]
8. GRI 2-5: External Assurance [MANDATORY]

2.2 Activities and Workers

9. GRI 2-6: Activities, Value Chain and Other Business Relationships [MANDATORY]
 - 9.1 Sectors and primary activities
 - 9.2 Value chain (upstream and downstream)
 - 9.3 Significant changes during reporting period
10. GRI 2-7: Employees [MANDATORY]
 - 10.1 Total headcount by gender, employment type, region
11. GRI 2-8: Workers Who Are Not Employees [MANDATORY]
 - 11.1 Contract workers, consultants, work performed

2.3 Governance

12. GRI 2-9: Governance Structure and Composition [MANDATORY]
 - 12.1 Board composition, committees, oversight
13. GRI 2-10: Nomination and Selection of the Highest Governance Body [MANDATORY]

- 14. GRI 2-11: Chair of the Highest Governance Body [MANDATORY]
- 15. GRI 2-12: Role of the Highest Governance Body in Overseeing Impact Management [MANDATORY]
- 16. GRI 2-13: Delegation of Responsibility for Impact Management [MANDATORY]
- 17. GRI 2-14: Role of Highest Governance Body in Sustainability Reporting [MANDATORY]
- 18. GRI 2-15: Conflicts of Interest [MANDATORY]
- 19. GRI 2-16: Communication of Critical Concerns [MANDATORY]
- 20. GRI 2-17: Collective Knowledge of Highest Governance Body [MANDATORY]
- 21. GRI 2-18: Evaluation of Performance of Highest Governance Body [MANDATORY]
- 22. GRI 2-19: Remuneration Policies [MANDATORY]
- 23. GRI 2-20: Process to Determine Remuneration [MANDATORY]
- 24. GRI 2-21: Annual Total Compensation Ratio [MANDATORY]

2.4 Strategy, Policies and Practices

- 25. GRI 2-22: Statement on Sustainable Development Strategy [MANDATORY]
- 26. GRI 2-23: Policy Commitments [MANDATORY]
 - 26.1 Human rights, labor, environment, anti-corruption
- 27. GRI 2-24: Embedding Policy Commitments [MANDATORY]
- 28. GRI 2-25: Processes to Remediate Negative Impacts [MANDATORY]
- 29. GRI 2-26: Mechanisms for Seeking Advice and Raising Concerns [MANDATORY]
- 30. GRI 2-27: Compliance with Laws and Regulations [MANDATORY]
- 31. GRI 2-28: Membership Associations [MANDATORY]

2.5 Stakeholder Engagement

- 32. GRI 2-29: Approach to Stakeholder Engagement [MANDATORY]
 - 32.1 Stakeholder groups identified
 - 32.2 Engagement methods and frequency
- 33. GRI 2-30: Collective Bargaining Agreements [MANDATORY]

SECTION 3: GRI 3 - Material Topics

- 34. GRI 3-1: Process to Determine Material Topics [MANDATORY]
 - 34.1 Materiality assessment methodology
 - 34.2 Stakeholder input process
 - 34.3 Due diligence and impact assessment
- 35. GRI 3-2: List of Material Topics [MANDATORY]

Material Topics Identified (10 topics)

- 35.1 Topic 1: Energy & GHG Emissions
 - 35.1.1 Policy & commitments
 - 35.1.2 Actions & initiatives
 - 35.1.3 Goals & targets
- 35.2 Topic 2: Water & Effluents
- 35.3 Topic 3: Waste Management
- 35.4 Topic 4: Climate Change & Resilience
- 35.5 Topic 5: Biodiversity & Land Use
- 35.6 Topic 6: Occupational Health & Safety

- 35.7 Topic 7: Student Wellbeing & Safety
- 35.8 Topic 8: Diversity, Equity & Inclusion
- 35.9 Topic 9: Ethics, Transparency & Compliance
- 35.10 Topic 10: Community Engagement & Outreach

SECTION 4: Environmental Performance

GRI 302: Energy (2016)

- 36. GRI 3-3: Management of Material Topics [Energy]
- 37. GRI 302-1: Energy Consumption within the Organization
 - 37.1 Total energy consumption by source
 - 37.2 Renewable vs. non-renewable breakdown
 - 37.3 Site-wise energy consumption
- 38. GRI 302-2: Energy Consumption outside of the Organization
- 39. GRI 302-3: Energy Intensity
 - 39.1 Energy per FTE, per student, per patient
- 40. GRI 302-4: Reduction of Energy Consumption
 - 40.1 Energy efficiency initiatives and savings
- 41. GRI 302-5: Reductions in Energy Requirements of Products and Services

GRI 303: Water and Effluents (2018)

- 42. GRI 3-3: Management of Material Topics [Water]
- 43. GRI 303-1: Interactions with Water as a Shared Resource
 - 43.1 Water stress assessment
 - 43.2 Stakeholder engagement on water
- 44. GRI 303-2: Management of Water Discharge-related Impacts
- 45. GRI 303-3: Water Withdrawal
 - 45.1 Total withdrawal by source
 - 45.2 Groundwater, municipal, surface water
- 46. GRI 303-4: Water Discharge
 - 46.1 Total discharge by destination and quality
- 47. GRI 303-5: Water Consumption
 - 47.1 Total consumption and intensity metrics

GRI 305: Emissions (2016)

- 48. GRI 3-3: Management of Material Topics [Emissions]
- 49. GRI 305-1: Direct (Scope 1) GHG Emissions
 - 49.1 Stationary combustion (generators, boilers)
 - 49.2 Mobile combustion (fleet vehicles)
 - 49.3 Refrigerants (fugitive emissions)
- 50. GRI 305-2: Energy Indirect (Scope 2) GHG Emissions
 - 50.1 Location-based and market-based methods
- 51. GRI 305-3: Other Indirect (Scope 3) GHG Emissions
 - 51.1 Business travel, employee commuting
 - 51.2 Purchased goods and services
 - 51.3 Waste disposal
- 52. GRI 305-4: GHG Emissions Intensity

- 52.1 Emissions per FTE, per student, per patient
- 53. GRI 305-5: Reduction of GHG Emissions
- 54. GRI 305-6: Emissions of Ozone-Depleting Substances (ODS)
- 55. GRI 305-7: NOx, SOx, and Other Significant Air Emissions

GRI 306: Waste (2020)

- 56. GRI 3-3: Management of Material Topics [Waste]
- 57. GRI 306-1: Waste Generation and Significant Waste-related Impacts
- 58. GRI 306-2: Management of Significant Waste-related Impacts
- 59. GRI 306-3: Waste Generated
 - 59.1 Total waste by type and composition
 - 59.2 Hazardous vs. non-hazardous
 - 59.3 Biomedical waste categories
- 60. GRI 306-4: Waste Diverted from Disposal
 - 60.1 Recycling, composting, reuse
- 61. GRI 306-5: Waste Directed to Disposal
 - 61.1 Landfill, incineration, other disposal

GRI 304: Biodiversity (2016)

- 62. GRI 3-3: Management of Material Topics [Biodiversity]
- 63. GRI 304-1: Operational Sites in or Adjacent to Protected Areas
- 64. GRI 304-2: Significant Impacts on Biodiversity
- 65. GRI 304-3: Habitats Protected or Restored
- 66. GRI 304-4: IUCN Red List Species

GRI 308: Supplier Environmental Assessment (2016)

- 67. GRI 308-1: New Suppliers Screened Using Environmental Criteria
- 68. GRI 308-2: Negative Environmental Impacts in Supply Chain

SECTION 5: Social Performance

GRI 401: Employment (2016)

- 69. GRI 3-3: Management of Material Topics [Employment]
- 70. GRI 401-1: New Employee Hires and Employee Turnover
 - 70.1 Hiring and turnover rates by age, gender, region
- 71. GRI 401-2: Benefits Provided to Full-time Employees
- 72. GRI 401-3: Parental Leave

GRI 402: Labor/Management Relations (2016)

- 73. GRI 402-1: Minimum Notice Periods

GRI 403: Occupational Health and Safety (2018)

- 74. GRI 3-3: Management of Material Topics [OH&S]
- 75. GRI 403-1: Occupational Health and Safety Management System

- 76. GRI 403-2: Hazard Identification, Risk Assessment
- 77. GRI 403-3: Occupational Health Services
- 78. GRI 403-4: Worker Participation in OH&S
- 79. GRI 403-5: Worker Training on OH&S
- 80. GRI 403-6: Promotion of Worker Health
- 81. GRI 403-7: Prevention and Mitigation of OH&S Impacts
- 82. GRI 403-8: Workers Covered by OH&S Management System
- 83. GRI 403-9: Work-related Injuries
 - 83.1 LTIFR, fatalities, high-consequence injuries
- 84. GRI 403-10: Work-related Ill Health

GRI 404: Training and Education (2016)

- 85. GRI 404-1: Average Hours of Training
- 86. GRI 404-2: Programs for Skills Management
- 87. GRI 404-3: Performance Reviews

GRI 405: Diversity and Equal Opportunity (2016)

- 88. GRI 3-3: Management of Material Topics [DEI]
- 89. GRI 405-1: Diversity of Governance Bodies and Employees
 - 89.1 Gender, age group breakdowns
- 90. GRI 405-2: Ratio of Basic Salary (Male to Female)

GRI 406: Non-discrimination (2016)

- 91. GRI 406-1: Incidents of Discrimination

GRI 413: Local Communities (2016)

- 92. GRI 3-3: Management of Material Topics [Community]
- 93. GRI 413-1: Operations with Local Community Engagement
- 94. GRI 413-2: Significant Actual and Potential Negative Impacts

GRI 414: Supplier Social Assessment (2016)

- 95. GRI 414-1: New Suppliers Screened Using Social Criteria
- 96. GRI 414-2: Negative Social Impacts in Supply Chain

GRI 416: Customer Health and Safety (2016)

- 97. GRI 3-3: Management of Material Topics [Student/Patient Safety]
- 98. GRI 416-1: Assessment of Health and Safety Impacts
- 99. GRI 416-2: Incidents of Non-compliance

GRI 418: Customer Privacy (2016)

- 100. GRI 418-1: Substantiated Complaints Concerning Privacy

SECTION 6: Economic Performance

GRI 201: Economic Performance (2016)

- 101. GRI 201-1: Direct Economic Value Generated and Distributed
 - 101.1 Revenues, operating costs, employee wages
 - 101.2 Community investments, retained earnings
- 102. GRI 201-2: Financial Implications of Climate Change
- 103. GRI 201-3: Defined Benefit Plan Obligations
- 104. GRI 201-4: Financial Assistance from Government

GRI 203: Indirect Economic Impacts (2016)

- 105. GRI 203-1: Infrastructure Investments
- 106. GRI 203-2: Significant Indirect Economic Impacts

GRI 204: Procurement Practices (2016)

- 107. GRI 204-1: Proportion of Spending on Local Suppliers

GRI 205: Anti-corruption (2016)

- 108. GRI 3-3: Management of Material Topics [Ethics]
- 109. GRI 205-1: Operations Assessed for Corruption Risks
- 110. GRI 205-2: Communication on Anti-corruption
- 111. GRI 205-3: Confirmed Incidents of Corruption

SECTION 7: Appendices

- 112. Appendix A: GRI Content Index
 - 112.1 Complete mapping of all GRI disclosures
 - 112.2 Page references and omissions
- 113. Appendix B: Calculation Methodologies
 - 113.1 GHG emissions calculation approach
 - 113.2 Energy conversion factors
 - 113.3 Water accounting methodology
- 114. Appendix C: Glossary of Terms
- 115. Appendix D: Stakeholder Engagement Summary
 - 115.1 List of stakeholder consultations
 - 115.2 Key feedback themes
- 116. Appendix E: External Assurance Statement
- 117. Appendix F: Alignment with Other Frameworks
 - 117.1 TCFD alignment table
 - 117.2 SDG contribution mapping
 - 117.3 BRSR cross-reference

GRI Standards Coverage Summary

Standard Category	Standards	Covered Topics
Universal Standards	GRI 2, GRI 3	General Disclosures, Material Topics
Environmental	302, 303, 304, 305, 306, 308	Energy, Water, Biodiversity, Emissions, Waste, Supplier Environmental Assessment
Social	401, 402, 403, 404, 405, 406, 413, 414, 416, 418	Employment, OH&S, Training, DEI, Communities, Customer Safety, Privacy
Economic	201, 203, 204, 205	Economic Performance, Indirect Impacts, Procurement, Anti-corruption

SECTION 2: GRI 2 - General Disclosures

GRI 2-1: Organizational Details [MANDATORY]

Legal Name: Manipal Education and Medical Group

Nature of Ownership: Private Limited Company

Headquarters: Manipal, Udupi District, Karnataka - 576104, India

Countries of Operation: India (primary), UAE, Malaysia, Nepal, Antigua and Barbuda, Bangladesh

GRI 2-2: Entities Included in Sustainability Reporting [MANDATORY]

This report covers 9 operational entities of Manipal Group located in Karnataka, India, representing the core education and healthcare operations:

#	Entity Name	Type	Location	Scale	Key Impacts
1	Manipal - HS Campus (Health Sciences)	Higher Education	Manipal	3,200 students	Energy, Water, Waste
2	Manipal - MIT Campus	Technical Education	Manipal	8,500 students	Energy, Emissions, Waste
3	Manipal - Hospice Care Center	Healthcare	Manipal	45 beds	Energy, Healthcare waste
4	TAPMI (T A Pai Management Institute)	Management Education	Manipal	850 students	Water, Energy
5	TMA Pai Hospital - Udupi	Multi-specialty Hospital	Udupi	350 beds	Biomedical waste, Energy
6	TMA Pai Rotary Hospital - Karkala	Healthcare	Karkala	180 beds	Climate resilience, Waste
7	Mangalore - LHH (Lady Hill Hospital)	Healthcare	Mangalore	280 beds	Biodiversity, Healthcare
8	Mangalore - Attavar Campus	Mixed Use	Mangalore	1,200 students	Biodiversity, Community
9	Mangalore - Bejai Campus	K-12 Education	Mangalore	2,800 students	Biodiversity, Safety

Exclusions: [PLACEHOLDER: Note any Manipal Group entities/operations excluded and reasons - e.g., international campuses reported separately, JVs, etc.]

Consolidation Approach: *Operational control - all 9 sites under direct management of Manipal Group*

GRI 2-3: Reporting Period, Frequency and Contact Point [MANDATORY]

Reporting Period: *April 1, 2024 to March 31, 2025 (FY 2024-25)*

Date of Publication: *[PLACEHOLDER: Anticipated publication date]*

Reporting Cycle: *Annual*

Previous Report: *[PLACEHOLDER: First GRI report OR date of previous report]*

Contact Person: *[PLACEHOLDER: Name, Title]*

Contact Email: *[PLACEHOLDER: sustainability@manipal.edu]*

Contact Phone: *[PLACEHOLDER: +91-xxx]*

GRI 2-4: Restatements of Information [MANDATORY]

Status: *[PLACEHOLDER: If first report, state 'This is Manipal Group's inaugural GRI sustainability report. No restatements applicable.' If subsequent report, describe any restatements from previous periods and reasons (methodology changes, data corrections, boundary changes, etc.)]*

GRI 2-5: External Assurance [MANDATORY]

Assurance Status: *[PLACEHOLDER: Has this report been externally assured? (Yes/No)]*

Assurance Provider: *[PLACEHOLDER: If yes, name of assurance provider (e.g., KPMG, EY, etc.)]*

Assurance Level: *[PLACEHOLDER: Limited or Reasonable assurance]*

Assurance Scope: *[PLACEHOLDER: Which sections/standards were assured]*

Assurance Statement: *[PLACEHOLDER: Attach assurance statement or provide reference]*

GRI 2-6: Activities, Value Chain and Other Business Relationships [MANDATORY]

Sectors: *1) Higher Education 2) Healthcare 3) K-12 Education 4) Management Education 5) Publishing*

Primary Activities: *Operating universities, colleges, multi-specialty hospitals, schools, and creating educational content across India and internationally*

Scale of Operations: *196,500+ beneficiaries (students + patients), 10,980 employees, 9 campuses in Karnataka*

Geographic Markets: *India (primary), UAE, Malaysia, Nepal, Antigua, Bangladesh*

Upstream Value Chain: *[PLACEHOLDER: Key suppliers - medical equipment, educational materials, food services, facility management, utilities, etc.]*

Downstream Value Chain: *Students, alumni, patients, healthcare referral networks, corporate recruiters, regulatory bodies*

Significant Changes: *[PLACEHOLDER: Any major changes during reporting period - new campuses, acquisitions, partnerships, etc.]*

GRI 2-7: Employees [MANDATORY]

Total Employees: 10,980 (as of March 31, 2025)

By Gender: Male: 6,360 (58%), Female: 4,620 (42%)

By Employment Type: Permanent Full-time: 10,060 (92%), Temporary: 600 (5%), Part-time: 320 (3%)

By Contract Type: Permanent: 10,060, Temporary: 600, Non-guaranteed hours: 320

By Region: All employees based in Karnataka, India

Methodology Note: Headcount basis as of reporting date. Excludes contractors and consultants (reported in 2-8).

GRI 2-8: Workers Who Are Not Employees [MANDATORY]

Contract Workers: 1,245 workers (security: 480, housekeeping: 520, cafeteria: 245)

Consultants: 340 (visiting faculty: 180, medical consultants: 160)

Work Performed: Security services, facility cleaning, food service operations, specialized teaching, medical consultations

Significant Variations: [PLACEHOLDER: Note any seasonal variations in workforce numbers]

GRI 2-9 to 2-21: Governance

The following 13 governance disclosures provide details on Manipal Group's governance structure, processes, and oversight of sustainability impacts:

GRI 2-9: Governance Structure and Composition [MANDATORY]

[PLACEHOLDER: Describe: Board composition (size, committees), diversity (skills, gender, age), independence, tenure. Include org chart if helpful.]

GRI 2-10: Nomination and Selection [MANDATORY]

[PLACEHOLDER: Process for nominating and selecting board members, criteria (competencies, diversity), stakeholder involvement.]

GRI 2-11: Chair of Highest Governance Body [MANDATORY]

[PLACEHOLDER: Name of board chair, whether also senior executive, rationale for this arrangement.]

GRI 2-12: Role in Overseeing Impact Management [MANDATORY]

[PLACEHOLDER: How board oversees identification and management of impacts on economy, environment, people. Frequency of reporting to board on sustainability.]

GRI 2-13: Delegation of Responsibility [MANDATORY]

[PLACEHOLDER: How responsibility for managing impacts is delegated (e.g., ESG committee, sustainability officer). Reporting lines to board.]

GRI 2-14: Role in Sustainability Reporting [MANDATORY]

[PLACEHOLDER: Board's role in reviewing and approving this sustainability report. Who reviewed/approved this report.]

GRI 2-15: Conflicts of Interest [MANDATORY]

[PLACEHOLDER: Processes for identifying and managing conflicts of interest at board level. Disclosure requirements.]

GRI 2-16: Communication of Critical Concerns [MANDATORY]

[PLACEHOLDER: Process for critical sustainability concerns to be communicated to board. Number and nature of critical concerns raised this year.]

GRI 2-17: Collective Knowledge [MANDATORY]

[PLACEHOLDER: Measures to develop board's collective knowledge on sustainable development. Training provided in FY 2024-25.]

GRI 2-18: Performance Evaluation [MANDATORY]

[PLACEHOLDER: Process for evaluating board's performance on governing impacts. Whether evaluation is independent and frequency.]

GRI 2-19: Remuneration Policies [MANDATORY]

[PLACEHOLDER: Policies for remunerating board and senior executives. How sustainability performance is linked to remuneration.]

GRI 2-20: Process to Determine Remuneration [MANDATORY]

[PLACEHOLDER: Process for designing remuneration policies. Whether independent consultants involved, stakeholder views considered.]

GRI 2-21: Annual Total Compensation Ratio [MANDATORY]

[PLACEHOLDER: Ratio of highest paid individual to median employee compensation. Ratio of increase in highest paid to median increase.]

GRI 2-22: Statement on Sustainable Development Strategy [MANDATORY]

[PLACEHOLDER: Statement from highest governance body/senior executive on relevance of sustainable development to organization and its strategy for addressing sustainability. Include vision, key achievements this year, future commitments.]

GRI 2-23: Policy Commitments [MANDATORY]

[PLACEHOLDER: List policy commitments for responsible business conduct (e.g., human rights, labor rights, environment, anti-corruption). Reference to policies publicly available.]

GRI 2-24: Embedding Policy Commitments [MANDATORY]

[PLACEHOLDER: How policy commitments are embedded throughout operations (training, procedures, accountability). How they apply to business relationships.]

GRI 2-25: Processes to Remediate Negative Impacts [MANDATORY]

[PLACEHOLDER: Processes for remediating negative impacts caused or contributed to. Grievance mechanisms available.]

GRI 2-26: Mechanisms for Seeking Advice and Raising Concerns [MANDATORY]

[PLACEHOLDER: Mechanisms for stakeholders to seek advice on implementing policies and raise concerns (e.g., whistleblower hotline). Whether anonymous reporting is possible.]

GRI 2-27: Compliance with Laws and Regulations [MANDATORY]

[PLACEHOLDER: Total number of significant instances of non-compliance with laws/regulations during reporting period. Monetary value of fines and number of non-monetary sanctions.]

GRI 2-28: Membership Associations [MANDATORY]

[PLACEHOLDER: Industry associations, advocacy organizations, or other memberships. Strategic memberships where organization holds governance position.]

GRI 2-29: Approach to Stakeholder Engagement [MANDATORY]

[PLACEHOLDER: Approach to engaging with stakeholders. How engagement related to reporting process.]

GRI 2-30: Collective Bargaining Agreements [MANDATORY]

[PLACEHOLDER: Percentage of employees covered by collective bargaining agreements. For non-union employees, how freedom of association and collective bargaining is ensured.]

Stakeholder Engagement Summary

Manipal Group engages with key stakeholder groups:

Stakeholder Group	Engagement Methods	Frequency	Key Topics
Students & Parents	Surveys, feedback sessions, student	Ongoing/Quarterly	Education quality, safety, career outcomes

	<i>councils, parent meetings</i>		
<i>Patients & Families</i>	<i>Satisfaction surveys, grievance mechanisms, patient advisory boards</i>	<i>Ongoing</i>	<i>Healthcare quality, safety, accessibility</i>
<i>Employees</i>	<i>Town halls, engagement surveys, union consultations, intranet</i>	<i>Quarterly</i>	<i>Work conditions, development, compensation</i>
<i>Faculty</i>	<i>Academic councils, performance reviews, department meetings</i>	<i>Ongoing/Semester</i>	<i>Academic freedom, resources, recognition</i>
<i>Investors/Owners</i>	<i>Board meetings, financial reporting, strategic reviews</i>	<i>Quarterly/Annual</i>	<i>Financial performance, growth, risk management</i>
<i>Local Communities</i>	<i>Community meetings, CSR programs, partnerships with NGOs</i>	<i>Regular/Annual</i>	<i>Community development, environmental impacts</i>
<i>Government/Regulators</i>	<i>Compliance reporting, consultations, industry forums</i>	<i>As required/Annual</i>	<i>Regulatory compliance, sector development</i>

SECTION 3: GRI 3 - Material Topics

GRI 3-1: Process to Determine Material Topics [MANDATORY]

Manipal Group conducted a comprehensive materiality assessment from October to December 2024 following GRI principles of stakeholder inclusiveness, sustainability context, materiality, and completeness. The process involved:

- **Identification:** Reviewed GRI Sector Standards, peer benchmarks, regulatory requirements, internal risk assessments to create list of potential material topics
- **Stakeholder Engagement:** Surveyed 1,800 students, 340 patients, interviewed 45 employees, consulted 15 faculty, engaged 12 board members
- **Assessment:** Evaluated each topic on significance of impacts (scale, scope, irremediable character) and influence on stakeholder assessments
- **Prioritization:** Board-level review to determine material topics considering both impact significance and stakeholder concerns
- **Validation:** Final list reviewed and approved by governance body in December 2024

GRI 3-2: List of Material Topics [MANDATORY]

Through the materiality assessment, Manipal Group identified **10 material topics** where the organization has significant impacts and which influence stakeholder assessments:

#	Material Topic	GRI Standard	Primary Sites	Nature of Impacts	Where Impacts Occur
1	Energy consumption & renewable energy	GRI 302: Energy	HS Campus, MIT, Hospice	Positive: Renewable energy. Negative: GHG from grid electricity	Operations
2	Water withdrawal, reuse & groundwater dependency	GRI 303: Water	TAPMI	Negative: Stress on local water resources	Operations
3	Waste management (solid, biomedical, e-waste, hazardous)	GRI 306: Waste	TMA Pai-Udupi	Negative: Improper disposal risks. Positive: Recycling programs	Operations
4	Climate change & resilience	GRI 305: Emissions	TMA Pai-Karkala	Negative: GHG emissions contributing to climate change	Operations
5	Biodiversity & land use	GRI 304: Biodiversity	Mangalore sites	Negative: Potential habitat disruption	Operations

				from campus operations	
6	Occupational health & safety	GRI 403: OH&S	All sites	Negative: Workplace injuries. Positive: Safety programs	Operations
7	Student wellbeing & safety	GRI 416: Customer H&S	Education sites	Positive: Safe learning environment. Negative: Safety incidents	Operations
8	Diversity, equity & inclusion	GRI 405: Diversity	All sites	Positive: Inclusive workplace. Negative: Underrepresentation in leadership	Operations
9	Ethics, transparency & compliance	GRI 205, 206	All sites	Negative: Corruption risks. Positive: Ethics programs	Operations, Governance
10	Community engagement & outreach	GRI 413: Communities	All sites	Positive: Community programs. Negative: Potential local disruptions	Operations, Value Chain

GRI 3-3: Management of Material Topics [MANDATORY]

For each material topic, Manipal Group has established a management approach including policies, actions, responsibilities, goals, and evaluation mechanisms. The following sections detail the management approach for each of the 10 material topics.

Topic 1: Energy Consumption & Renewable Energy [MANDATORY]

Policy & Commitment: *Energy Efficiency Policy adopted 2023, targets 15% renewable energy by 2030*

Actions & Initiatives: *LED retrofits, solar installations (3.46 MW installed), building management systems, energy audits*

Responsibility & Resources: *Facilities Director reports to COO, site-level energy managers at each campus*

Goals & Targets: *2025: 10% renewable, 5% reduction in energy intensity. 2030: 15% renewable, carbon neutrality*

Evaluation & Effectiveness: *Monthly energy tracking, quarterly board ESG committee review, annual external audit*

Grievance Mechanisms: *Environment helpline, email escalation to sustainability team*

Topic 2: Water Withdrawal & Groundwater Dependency [MANDATORY]

Policy & Commitment: *Water Stewardship Policy 2024, aligned with CEO Water Mandate principles*

Actions & Initiatives: *Rainwater harvesting (5 sites), wastewater treatment (4 sites), water-efficient fixtures, awareness campaigns*

Responsibility & Resources: *Water Management Committee chaired by Facilities Director, site engineers for implementation*

Goals & Targets: *2025: 20% reduction in per-capita consumption, 30% recycling. 2030: Water-positive campus (TAPMI pilot)*

Evaluation & Effectiveness: *Monthly metering, quarterly water balance reviews, community consultations*

Grievance Mechanisms: *Community water concerns escalated to District Collector liaison*

Topic 3: Waste Management [MANDATORY]

Policy & Commitment: *Zero Waste Policy 2022, segregation at source mandatory, biomedical waste per BMW Rules 2016*

Actions & Initiatives: *Color-coded bins, composting (3 sites), recycling partnerships, hazardous waste to KSPCB-authorized facilities*

Responsibility & Resources: *Waste Management Officer at each hospital/campus, quarterly audits by Environment Health & Safety team*

Goals & Targets: *2025: 50% waste diversion from landfill. 2030: 75% diversion, eliminate single-use plastics*

Evaluation & Effectiveness: *Monthly waste audits, annual waste characterization studies, regulatory compliance tracking*

Grievance Mechanisms: Staff can report waste incidents via safety app, community complaints to facility manager

Topic 4: Climate Change & Resilience [MANDATORY]

Policy & Commitment: Climate Action Plan 2024-2030, aligned with Paris Agreement, science-based targets under development

Actions & Initiatives: GHG inventory (Scope 1, 2, partial Scope 3), energy efficiency, renewable energy, climate risk assessment

Responsibility & Resources: Sustainability Manager reports to CFO, Climate Risk Working Group with cross-functional representation

Goals & Targets: 2025: Scope 3 inventory complete, SBTi submission. 2030: 50% GHG reduction (Scope 1+2 from 2024 baseline)

Evaluation & Effectiveness: Annual GHG verification, scenario analysis for physical risks, TCFD-aligned disclosure from 2026

Grievance Mechanisms: Sustainability concerns via corporate.responsibility@manipal.edu

Topic 5: Biodiversity & Land Use [MANDATORY]

Policy & Commitment: Biodiversity Action Plan in development, no-net-loss principle for new construction

Actions & Initiatives: Ecological surveys at 3 Mangalore sites, native species planting, green corridors, invasive species management

Responsibility & Resources: Biodiversity Coordinator (Mangalore cluster), partnership with local conservation NGOs

Goals & Targets: 2025: Baseline biodiversity assessment complete. 2027: Net positive impact on 2 campuses, biodiversity certification

Evaluation & Effectiveness: Annual biodiversity monitoring, community consultations with local environmental groups

Grievance Mechanisms: Biodiversity concerns to campus administration or via environmental NGO partners

Topic 6: Occupational Health & Safety [MANDATORY]

Policy & Commitment: OH&S Policy aligned with ISO 45001, zero harm vision, right to refuse unsafe work

Actions & Initiatives: Safety audits, incident investigations, PPE provision, emergency drills, health surveillance, contractor safety

Responsibility & Resources: VP Health & Safety, site safety officers, joint safety committees at each location (50% worker representation)

Goals & Targets: 2025: <1.0 LTIFR, 100% incident investigation. 2030: Zero fatalities, ISO 45001 certification

Evaluation & Effectiveness: Monthly safety metrics dashboard, quarterly OH&S committee reviews, annual external audit

Grievance Mechanisms: Anonymous safety hotline, incident reporting app, worker safety representatives

Topic 7: Student Wellbeing & Safety [MANDATORY]

Policy & Commitment: Student Safety Policy, anti-ragging policy, mental health support framework

Actions & Initiatives: Campus security, CCTV monitoring, counseling services, anti-harassment training, transport safety protocols

Responsibility & Resources: Dean of Students at each campus, Student Welfare Committee, Counseling Services Director

Goals & Targets: 2025: Zero tolerance for harassment, 100% staff trained. 2027: Mental health support at all sites

Evaluation & Effectiveness: Student satisfaction surveys, incident tracking, external accreditation standards (NAAC)

Grievance Mechanisms: Student ombudsperson, anonymous complaints portal, 24/7 helpline

Topic 8: Diversity, Equity & Inclusion [MANDATORY]

Policy & Commitment: DEI Policy 2023, equal opportunity employer, gender parity targets

Actions & Initiatives: Unconscious bias training, diverse hiring panels, women in leadership program, accessibility improvements

Responsibility & Resources: Chief People Officer, DEI Council with board oversight, Employee Resource Groups

Goals & Targets: 2025: 40% women in management, pay equity audit. 2030: 45% women in senior leadership, disability inclusion

Evaluation & Effectiveness: Annual diversity metrics, pay equity analysis, employee engagement surveys (DEI module)

Grievance Mechanisms: Anonymous reporting via ethics hotline, DEI concerns to CPO, external ombudsperson

Topic 9: Ethics, Transparency & Compliance [MANDATORY]

Policy & Commitment: Code of Conduct, Anti-Corruption Policy, Whistleblower Protection Policy

Actions & Initiatives: Annual ethics training, conflict of interest declarations, third-party due diligence, compliance audits

Responsibility & Resources: Chief Compliance Officer reports to Board Audit Committee, regional compliance managers

Goals & Targets: 2025: 100% training completion, zero substantiated corruption. 2030: Best-in-class governance rating

Evaluation & Effectiveness: Quarterly compliance reports to board, annual external ethics audit, whistleblower case tracking

Grievance Mechanisms: Ethics hotline (toll-free, multilingual, 24/7), online portal, external ombudsperson

Topic 10: Community Engagement & Outreach [MANDATORY]

Policy & Commitment: *CSR Policy per Companies Act 2013, community consultation guidelines*

Actions & Initiatives: *Free health camps, scholarships, skill training, infrastructure support, environmental awareness*

Responsibility & Resources: *CSR Committee (board subcommittee), CSR Manager, site community liaison officers*

Goals & Targets: *2025: 2% of PAT to CSR, reach 50,000 beneficiaries. 2030: Community development partnerships in all districts*

Evaluation & Effectiveness: *Annual CSR impact assessment, community feedback mechanisms, third-party evaluation*

Grievance Mechanisms: *Community concerns via gram panchayat liaisons, CSR helpline, facility managers*

SECTION 4: ENVIRONMENTAL PERFORMANCE

This section reports on environmental topic-specific standards, presenting operational data from the 9 sites for FY 2024-25.

GRI 302: Energy (2016)

GRI 3-3: Management of Material Topics [Energy]

Energy Management Approach

Manipal Group recognizes energy management as critical to our environmental performance and operational efficiency. Our approach encompasses both reducing energy consumption and transitioning to renewable sources, particularly relevant given our 24/7 operations in healthcare and residential campus facilities.

Policies and Commitments:

- Energy Policy 2022 with targets for 25% renewable energy by 2027
- ISO 50001 Energy Management System implementation underway at 3 priority sites
- [INSERT: Actual commitment to net-zero timeline and board-approved targets]
- [INSERT: Specific energy efficiency improvement targets]

Key Initiatives:

- [INSERT: Actual LED retrofit status - number of fixtures, sites covered]
- [INSERT: BMS implementation details - buildings covered, expected savings]
- [INSERT: Solar installation capacity and locations]
- [INSERT: Other major energy efficiency projects]

GRI 302-1: Energy Consumption within the Organization

Total energy consumption for FY 2024-25 across all 9 operational sites:

Energy Source	Consumption (GJ)	% of Total	Type
Grid Electricity	[INSERT: GJ]	[%]	Non-renewable
Solar Power (Self-generated)	[INSERT: GJ]	[%]	Renewable
Diesel (Generators & Vehicles)	[INSERT: GJ]	[%]	Non-renewable
Natural Gas (Boilers)	[INSERT: GJ]	[%]	Non-renewable
LPG (Kitchens)	[INSERT: GJ]	[%]	Non-renewable

TOTAL ENERGY CONSUMPTION	[TOTAL GJ]	100.0%	-
Methodology: All energy figures converted to Gigajoules (GJ) using standard conversion factors per IPCC guidelines. Grid electricity uses Karnataka state grid emission factor. Solar generation represents actual kWh produced and consumed on-site.			

Site-wise Energy Consumption Breakdown

Site	Total (GJ)	Renewable (GJ)	% Renewable
Manipal - MIT Campus	[GJ]	[GJ]	[%]
Manipal - HS Campus	[GJ]	[GJ]	[%]
TAPMI	[GJ]	[GJ]	[%]
TMA Pai Hospital - Udupi	[GJ]	[GJ]	[%]
TMA Pai Rotary Hospital - Karkala	[GJ]	[GJ]	[%]
Mangalore - Lady Hill Hospital	[GJ]	[GJ]	[%]
Mangalore - Attavar Campus	[GJ]	[GJ]	[%]
Mangalore - Bejai Campus	[GJ]	[GJ]	[%]
Manipal - Hospice Care Center	[GJ]	[GJ]	[%]

GRI 302-2: Energy Consumption outside of the Organization

[INSERT: Energy consumed in upstream and downstream activities - supply chain, business travel, employee commuting, etc. If not tracked, state 'Not currently tracked - planned for Scope 3 inventory']

GRI 302-3: Energy Intensity

Intensity Metric	Value (FY 2024-25)
Energy per Full-Time Equivalent (FTE)	[INSERT: GJ/FTE]
Energy per Student (Education sites)	[INSERT: GJ/student]
Energy per Hospital Bed (Healthcare sites)	[INSERT: GJ/bed]
Energy per Square Meter of Built-up Area	[INSERT: GJ/m²]
[INSERT: Denominator basis - total FTEs, students, beds, built-up area]	

GRI 302-4: Reduction of Energy Consumption

Energy efficiency initiatives implemented during FY 2024-25:

Initiative	Annual Savings (GJ)	Sites Covered
LED Lighting Retrofit	[GJ saved]	[Sites]

HVAC Optimization via BMS	[GJ saved]	[Sites]
Variable Frequency Drives	[GJ saved]	[Sites]
High-efficiency chillers	[GJ saved]	[Sites]
Occupancy sensors	[GJ saved]	[Sites]
[Other initiatives]	[GJ saved]	[Sites]
TOTAL ENERGY REDUCTION	[TOTAL GJ]	All sites
[INSERT: % reduction vs baseline, M&V methodology]		

GRI 302-5: Reductions in Energy Requirements of Products and Services

As an education and healthcare provider, our 'products' are services. Energy reductions are captured in 302-4.

GRI 303: Water and Effluents (2018)

GRI 3-3: Management of Material Topics [Water]

Water is critical for healthcare operations, campus dining, hostels, and laboratories. All sites located in coastal Karnataka with seasonal variation in water availability.

Water Management Approach:

- [INSERT: Water stress assessment results using WRI Aqueduct or similar tool]
- [INSERT: Water sources - municipal, groundwater, surface water percentages]
- [INSERT: Rainwater harvesting capacity and sites]
- [INSERT: Wastewater treatment plant capacity and locations]
- [INSERT: Water recycling uses - landscaping, cooling towers, etc.]

GRI 303-1: Interactions with Water as a Shared Resource

[INSERT: Description of how water withdrawal, consumption, and discharge impacts water availability for local communities. Engagement with local authorities on water management.]

GRI 303-2: Management of Water Discharge-related Impacts

[INSERT: Water quality standards for discharge, treatment process, monitoring frequency, compliance with KSPCB norms]

GRI 303-3: Water Withdrawal

Water Source	Volume (ML)	% of Total
Municipal Water Supply	[ML]	[%]
Groundwater (Borewells)	[ML]	[%]
Surface Water (Rivers/Lakes)	[ML]	[%]
TOTAL WITHDRAWAL	[TOTAL ML]	100.0%

[INSERT: Breakdown by site if significant variation. Note compliance with local permits.]

GRI 303-4: Water Discharge

[INSERT: Total discharge (ML), destination (municipal sewer, surface water, etc.), treatment quality parameters]

GRI 303-5: Water Consumption

Water Consumption = Withdrawal - Discharge

Intensity Metric	Value
Water per FTE	[INSERT value & unit]

Water per Student	[INSERT value & unit]
Water per Hospital Bed	[INSERT value & unit]
Water Recycling Rate	[INSERT value & unit]

GRI 305: Emissions (2016)

GRI 3-3: Management of Material Topics [Emissions]

[INSERT: Climate strategy, GHG inventory scope, emission reduction targets, methodology (GHG Protocol), verification status]

GRI 305-1/2/3: GHG Emissions (Scope 1, 2, 3)

Emission Scope	tCO ₂ e	Key Sources
Scope 1: Direct Emissions	[tCO ₂ e]	Diesel, gas, refrigerants
Scope 2: Indirect (Location-based)	[tCO ₂ e]	Grid electricity
Scope 2: Indirect (Market-based)	[tCO ₂ e if RECs]	If RECs purchased
Scope 3: Other Indirect	[tCO ₂ e]	Travel, commute, waste, supply chain

[INSERT: Emission factors used, organizational boundary, base year, any biogenic emissions]

GRI 305-4: GHG Emissions Intensity

[INSERT: tCO₂e per FTE, per student, per bed, per m². Specify if Scope 1+2 or includes Scope 3]

GRI 305-5: Reduction of GHG Emissions

[INSERT: Emissions reduced through initiatives, base year comparison, standards used]

GRI 305-6: Emissions of Ozone-Depleting Substances

[INSERT: ODS from refrigerants - likely captured in Scope 1 fugitive. Report if material.]

GRI 305-7: NO_x, SO_x, and Other Significant Air Emissions

[INSERT: If diesel generators significant, report NO_x/SO_x. Otherwise state 'Not material']

GRI 306: Waste (2020)

GRI 3-3: Management of Material Topics [Waste]

Waste management is critical, especially biomedical waste from healthcare facilities under BMW Rules 2016.

[INSERT: Waste policy, segregation practices, authorized disposal partners, hazardous waste management, zero waste goals]

GRI 306-1: Waste Generation and Significant Waste-related Impacts

[INSERT: Description of waste types generated - biomedical, e-waste, food waste, paper, plastics. Impacts on environment/health. Circular economy approach.]

GRI 306-2: Management of Significant Waste-related Impacts

[INSERT: Actions to prevent waste, processes to manage impacts, collaborations with waste management service providers]

GRI 306-3: Waste Generated

Waste Type	Quantity (MT)	Hazardous?	% of Total
Biomedical Waste (Yellow)	[MT]	Yes	[%]
Biomedical Waste (Red)	[MT]	Yes	[%]
Biomedical Waste (Blue/White)	[MT]	Yes	[%]
General Waste	[MT]	Yes	[%]
Food/Organic Waste	[MT]	No	[%]
Recyclables (Paper/Plastic/Metal)	[MT]	No	[%]
E-waste	[MT]	No	[%]
Hazardous Chemical Waste	[MT]	Yes	[%]

GRI 306-4: Waste Diverted from Disposal

[INSERT: MT of waste recycled, composted, reused. Breakdown by method and recovery operation]

GRI 306-5: Waste Directed to Disposal

[INSERT: MT to landfill, incineration with/without energy recovery. Biomedical waste disposed per BMW Rules]

GRI 304: Biodiversity (2016)

GRI 3-3: Management of Material Topics [Biodiversity]

[INSERT: If sites near protected areas or biodiversity hotspots - describe management approach. If not material, state so.]

GRI 304-1: Operational Sites Near Protected Areas

[INSERT: List any sites within/adjacent to protected areas. If none, state 'None of our operational sites are located in or adjacent to protected areas']

GRI 304-2: Significant Impacts on Biodiversity

[INSERT: Describe any impacts - habitat alteration, water use affecting ecosystems, etc. Mitigation measures]

GRI 304-3: Habitats Protected or Restored

[INSERT: Campus greening initiatives, native species planting, green corridors. Size of areas protected/restored]

GRI 304-4: IUCN Red List Species

[INSERT: List any threatened species in operational areas. If ecological survey conducted, reference findings]

GRI 308: Supplier Environmental Assessment (2016)

GRI 308-1: New Suppliers Screened Using Environmental Criteria

[INSERT: % of new suppliers screened, criteria used (ISO 14001, emissions, waste management)]

GRI 308-2: Negative Environmental Impacts in Supply Chain

[INSERT: Number of suppliers assessed for environmental impacts, significant actual/potential impacts identified, actions taken]

SECTION 5: SOCIAL PERFORMANCE

This section reports on social topic-specific standards covering employment, health & safety, training, diversity, community, and customer wellbeing.

GRI 401: Employment (2016)

GRI 3-3: Management of Material Topics [Employment]

[INSERT: Employment policies, talent attraction/retention strategies, employee value proposition]

GRI 401-1: New Employee Hires and Employee Turnover

Category	New Hires	Turnover
By Gender: Male	[# and %]	[# and %]
By Gender: Female	[# and %]	[# and %]
By Age: <30	[# and %]	[# and %]
By Age: 30-50	[# and %]	[# and %]
By Age: >50	[# and %]	[# and %]

GRI 401-2: Benefits Provided to Full-time Employees

[INSERT: Health insurance, life insurance, retirement benefits (PF/gratuity), maternity/paternity leave, wellness programs, employee assistance programs]

GRI 401-3: Parental Leave

[INSERT: Employees entitled to parental leave, employees took leave (by gender), return to work rate, retention rate after 12 months]

GRI 403: Occupational Health and Safety (2018)

GRI 3-3: Management of Material Topics [OH&S]

[INSERT: OH&S policy, zero harm vision, management system (ISO 45001 status), safety culture initiatives]

GRI 403-1: OH&S Management System

[INSERT: Scope of management system, % workers covered, internal audits, legal compliance framework]

GRI 403-2: Hazard Identification, Risk Assessment

[INSERT: Processes for identifying hazards, worker participation, incident investigation process]

GRI 403-9: Work-related Injuries

Safety Metric	Value (FY 2024-25)
Fatalities	[INSERT]
High-consequence injuries	[INSERT]
Recordable injuries	[INSERT]
Lost Time Injury Frequency Rate (LTIFR)	[INSERT]
Total hours worked	[INSERT]
Main types of injuries	[INSERT]
LTIFR = (Lost time injuries × 1,000,000) / Total hours worked	

GRI 403-10: Work-related Ill Health

[INSERT: Cases of occupational diseases, main types of ill health (if any - e.g., musculoskeletal disorders, chemical exposure)]

[Note: GRI 403-3 to 403-8 cover OH&S services, worker participation, training, health promotion, prevention measures, and system coverage - insert relevant information for each]

GRI 404: Training and Education (2016)

GRI 404-1: Average Hours of Training per Year per Employee

[INSERT: Avg hours by gender, by employee category (faculty, clinical staff, admin, management)]

GRI 404-2: Programs for Upgrading Employee Skills

[INSERT: Leadership development, technical training, continuing medical education, transition assistance programs]

GRI 404-3: Performance Reviews

[INSERT: % employees receiving regular performance reviews, breakdown by gender and category]

GRI 405: Diversity and Equal Opportunity (2016)

GRI 3-3: Management of Material Topics [DEI]

[INSERT: DEI policy, gender parity goals, unconscious bias training, women in leadership initiatives]

GRI 405-1: Diversity of Governance Bodies and Employees

Category	Male %	Female %
Board of Directors	[%]	[%]
Senior Management	[%]	[%]
Middle Management	[%]	[%]
Junior Staff	[%]	[%]
By Age <30	[%]	[%]
By Age 30-50	[%]	[%]
By Age >50	[%]	[%]

GRI 405-2: Ratio of Basic Salary and Remuneration (Male to Female)

[INSERT: Salary ratio by employee category. Target: 1:1 indicating pay equity]

GRI 406: Non-discrimination (2016)

GRI 406-1: Incidents of Discrimination and Corrective Actions

[INSERT: Number of discrimination incidents, status (under review, remediation plans, resolved), corrective actions taken]

GRI 413: Local Communities (2016)**GRI 3-3: Management of Material Topics [Community Engagement]**

[INSERT: CSR policy per Companies Act 2013, community consultation processes, stakeholder engagement mechanisms]

GRI 413-1: Operations with Local Community Engagement

[INSERT: % of operations with community programs - free health camps, scholarships, skill training, infrastructure support, environmental awareness. Sites with community liaison officers]

GRI 413-2: Significant Actual and Potential Negative Impacts

[INSERT: Operations with negative impacts on communities (e.g., traffic, noise, water use). Mitigation measures]

GRI 416: Customer Health and Safety (2016)**GRI 3-3: Management of Material Topics [Student/Patient Safety]**

[INSERT: Student safety policy, anti-ragging measures, campus security, patient safety protocols, infection control, clinical quality standards]

GRI 416-1: Assessment of Health and Safety Impacts

[INSERT: % of programs/services assessed for safety. NAAC/NABH accreditation status, safety audits]

GRI 416-2: Incidents of Non-compliance Concerning Health & Safety

[INSERT: Incidents resulting in fines, warnings, or non-compliance. Zero is ideal.]

GRI 418: Customer Privacy (2016)**GRI 418-1: Substantiated Complaints Concerning Breaches of Privacy**

[INSERT: Number of complaints about privacy breaches (student/patient data), data from third parties, leaks, etc. Actions taken. Compliance with DPDPA 2023]

[Note: GRI 402 (Labor Relations), GRI 414 (Supplier Social Assessment) also apply but are condensed here for space. Add full sections as needed.]

SECTION 6: ECONOMIC PERFORMANCE

GRI 201: Economic Performance (2016)

GRI 201-1: Direct Economic Value Generated and Distributed

Economic Component	Amount (₹ Crores)
Revenues	[₹ Cr]
Operating costs	[₹ Cr]
Employee wages and benefits	[₹ Cr]
Payments to providers of capital	[₹ Cr]
Payments to government (taxes)	[₹ Cr]
Community investments	[₹ Cr]
Economic value retained	[₹ Cr]

GRI 201-2: Financial Implications and Other Risks Due to Climate Change

[INSERT: Climate risks identified (physical: floods, heat; transition: carbon pricing, regulations). Financial implications, actions taken. Reference TCFD if applicable]

GRI 201-3: Defined Benefit Plan Obligations

[INSERT: Coverage of retirement plans - PF, gratuity, pension. If obligations met by general resources, state so]

GRI 201-4: Financial Assistance Received from Government

[INSERT: Grants, subsidies, investment grants, tax relief/credits. If none material, state so]

GRI 203: Indirect Economic Impacts (2016)

GRI 203-1: Infrastructure Investments and Services Supported

[INSERT: Infrastructure developed for public benefit - roads, water supply, community health centers, schools]

GRI 203-2: Significant Indirect Economic Impacts

[INSERT: Local employment generation, skill development, supply chain development, multiplier effects]

GRI 204: Procurement Practices (2016)**GRI 204-1: Proportion of Spending on Local Suppliers**

[INSERT: % procurement from local suppliers (Karnataka-based). Define 'local'. Support to MSME suppliers]

GRI 205: Anti-corruption (2016)**GRI 3-3: Management of Material Topics [Ethics & Anti-corruption]**

[INSERT: Anti-corruption policy, Code of Conduct, whistleblower mechanism, third-party due diligence]

GRI 205-1: Operations Assessed for Corruption Risks

[INSERT: % operations assessed, significant risks identified]

GRI 205-2: Communication and Training on Anti-corruption

[INSERT: % governance body/employees/partners trained, communication methods]

GRI 205-3: Confirmed Incidents of Corruption

[INSERT: Number of confirmed incidents, actions taken, terminations. Zero is ideal]

SECTION 7: APPENDICES

Appendix A: GRI Content Index

This GRI Content Index provides a comprehensive mapping of all GRI Universal and Topic-Specific Standards disclosed in this report, with direct page references and notes on any omissions.

Disclosure	Description	Page/Section	Omission
GRI 2-1	[Title]	[Page #]	-
GRI 2-2	[Title]	[Page #]	-
GRI 2-3	[Title]	[Page #]	-
...	[Title]	[Page #]	-
GRI 302-1	[Title]	[Page #]	-
GRI 303-3	[Title]	[Page #]	-
GRI 305-1	[Title]	[Page #]	-
...	[Title]	[Page #]	-
GRI 401-1	[Title]	[Page #]	-
GRI 403-9	[Title]	[Page #]	-
...	[Title]	[Page #]	-

[INSERT: Complete GRI Content Index with all applicable disclosures from GRI 2, 3, and topic-specific standards (302, 303, 305, 306, 304, 308, 401-418, 201-205)]

Appendix B: Calculation Methodologies

GHG Emissions Calculation

GHG emissions calculated using the GHG Protocol Corporate Accounting and Reporting Standard. Emission factors sourced from:

- [INSERT: Grid electricity emission factor - CEA, IPCC, or IEA]
- Diesel/LPG/Natural Gas: IPCC 2006 Guidelines
- Refrigerants: GWP values from IPCC AR5

Energy Conversion Factors

1 MWh = 3.6 GJ | 1 liter diesel = 38.6 MJ | 1 kg LPG = 46.1 MJ | 1 m³ natural gas = 38.3 MJ

Water Accounting

[INSERT: Metering approach, estimation methods for unmetered sources, water balance methodology]

Appendix C: Glossary of Terms

[INSERT: Definitions of key terms - FTE, tCO₂e, GJ, ML, LTIFR, Scope 1/2/3, materiality, stakeholder, etc.]

Appendix D: Stakeholder Engagement Summary

[INSERT: Table listing stakeholder consultations - dates, groups engaged (students, staff, community, investors), methods (surveys, focus groups, interviews), key concerns raised, how addressed in report]

Appendix E: External Assurance Statement

[INSERT: Copy of assurance provider's independent assurance statement if report is externally assured. If not assured, state 'This report has not been externally assured. Manipal Group plans to seek assurance for future reports.']

Appendix F: Alignment with Other Frameworks

TCFD Alignment

[INSERT: Table mapping TCFD pillars (Governance, Strategy, Risk Management, Metrics & Targets) to relevant GRI disclosures and report sections]

UN SDG Contribution

[INSERT: Key SDGs Manipal Group contributes to - likely SDG 3 (Health), 4 (Education), 5 (Gender Equality), 7 (Clean Energy), 13 (Climate Action). Map material topics to SDG targets]

India BRSR Cross-Reference

[INSERT: If applicable under SEBI BRSR requirements, table cross-referencing BRSR principles/essential indicators with GRI disclosures]

END OF REPORT

This comprehensive GRI Sustainability Report template demonstrates HWCAP's capability to structure, populate, and present ESG data in compliance with international reporting standards.

Yellow-highlighted sections contain AI-generated sample content. Grey-highlighted sections require actual operational data from Manipal Group.

Generated by HWCAP – Aspiring to be the Tally of ESG Space in India
